PRODUCT DESCRIPTIONS

FOUNDATION

The love of everything hockey finds its way into a fine blend with our 2017 Foundation. This nuanced velvety creation, inspired by the Right Bank Bordeaux wines, lays the foundation for the three proprietors of Vineyard 36 represented by the Roman numeral III. The label itself is the replica shape of an ice rink, with our interpretation of skate marks on the ice, including the silver foil design inspired by 2010 Winter Olympics Silver medal winner Tim Gleason.

THE BLACK ACES

The Black Aces is a nod to the great players teams might lean on in a time of adversity...often referred to having an "ace up your sleeve". In addition to the label design of our Foundation wine, the label is the replica shape of an ice rink with our interpretation of skate marks on the ice. Similar to the way Black Aces enrich their team with their experience, hard work and commitment to excellence, this wine is a matured addition to any table.

VINEYARDS

GEORGE III

This 300-acre parcel first purchased by Beaulieu founder Georges de Latour in 1928 and called Beaulieu Vineyard Number 3, but in 1988, the vineyard has since been replanted using new Cabernet Sauvignon clones with tighter spacing and advanced trellising systems, enhancing both quality and grape tonnage.

ORCHARD AVENUE

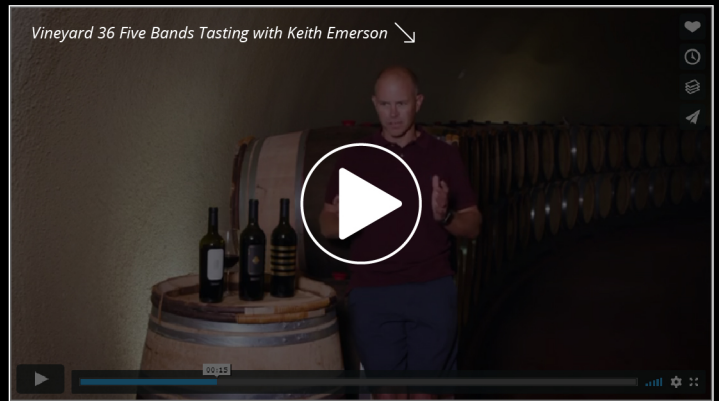

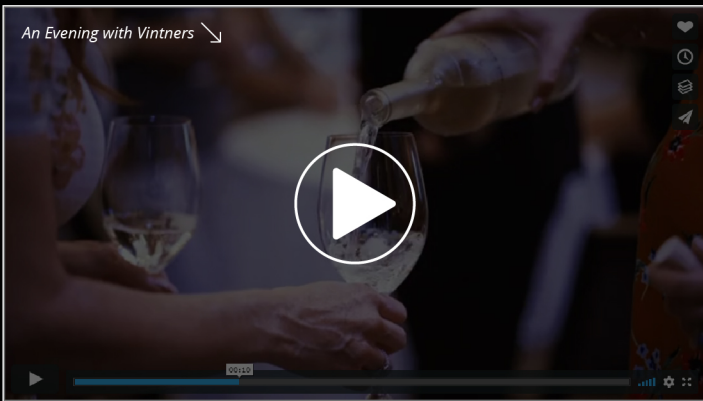

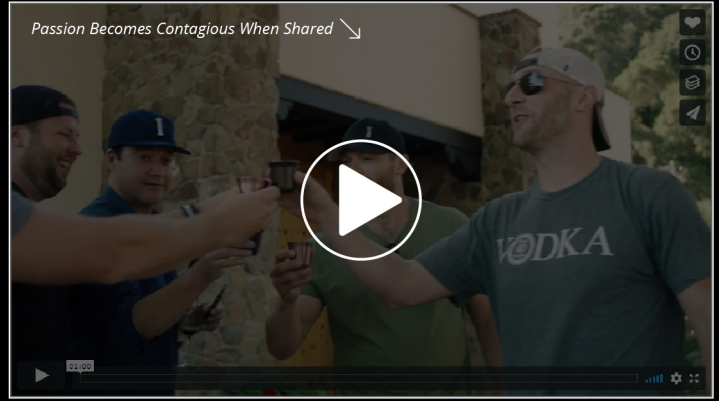

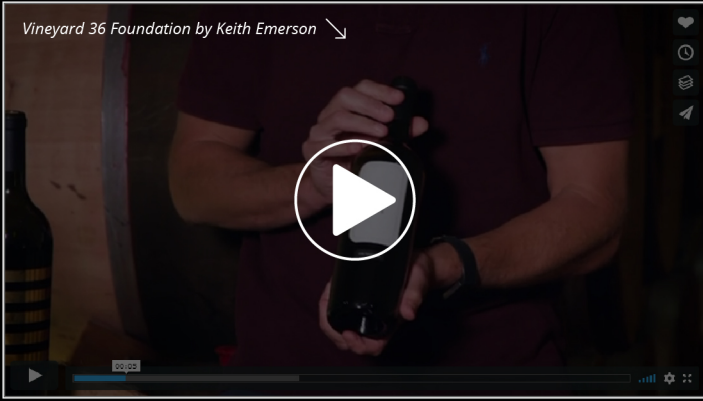

A cooler area than other parts of the Napa Valley with soils that are rich clay, sloping down off of the foothills leading up to Mt. Veeder. The climate preserves acidity and brightness, and the soils yield tannin and structure.

A 28-acre site within the Howell Mountain appellation, situated 2,100 feet above the Napa Valley floor, the physical geography of the site ranges from mountaintop plateaus to steep slopes. Looking out towards the southwest you can see Candlestick Ridge from which the vineyard gets its name.
